Executive item

Registration – Derek

- As long as everything entered correctly players will be approved.
- If player not on game sheet they can not play
- Congrats to Stefan on implementing a great new online roster system
- If players not added correctly today they can not play in first game
- If add-on players there will be a \$10 charge for each additional add-on player
 - Changes of players on current roster no charges

ZAM – correcting roster check motion tabled in January 30, 2010 as chairman can not table motions.

Voting Matters

Derek

Motion – Derek presented a motion regarding verifying rosters for each game. Referee will be given copy of game sheet prior to game. Referee will go through game sheet prior to game and at every game each player will be responsible for providing an original copy of government issued photo id. If player is not at game for roster check they can only be checked in at half-time.

- Possibly next year a BCCSL card system will be implemented

Seconded – Stefan Erickson

Questions & Concerns

- Worries about players forgetting ID and not being eligible for games and not being able to provide competitive games.
- Are photocopies workable? No, hard copies only.
- Does this speak to morality as Christians requiring rules to govern honesty?
- Would reasonability with color photo copies be accepted as concerns with hard copies of id at field?

No vote.

Amendment to motion tabled by Dave Sattler NSA B - color photo copies that can be kept with the managers. Centralized color government photo id through the manager. Presented to referee

Seconded - Rob from LEFC

Motion withdrawn

Dave Sattler requested that a proper motion be tabled in June Managers meeting to create a centralized system.

Motion not voted on and will be revisited at the June 2010 managers meeting for implementing a system for the 2011 season
