Fields and Schedule Report

Tom reviewed scheduling issues:

- Not enough fields in Burnaby
- Waiting for Langley permits

West teams may have to play further east than Burnaby due to low amount of fields.

Alignment

Alignment was difficult due to number of new teams in the league and teams folding.

Stefan reviewed divisions and alignment based on the email sent out 2 weeks ago.

Motion:

Stefan proposed approving alignment
Seconded by Tom Kobelt

Discussion:

No difference in quality for "A" "B" classifications of divisions.

Vote:

Unanimous passed

ID Cards

All teams that had rosters handed in by March 16th will be sent out for no charge. If rosters handed in after March 16th postage to be paid by team or picked up from Stefan.

Discussion:

Drivers license or government issued ID to be used for the first game if the ID card is not ready.

This method can be used for late roster additions as well.

**Provided player has been approved and added to the game sheet.

Email to be sent by Stefan of list of new pictures or missing pictures for picture resubmission.

Constitutional Changes

Presented by Jim Bock

Review of handout provided at the start of meeting.

Points to be adjusted in constitution on website:

- 9.d.3
- 9.c.1.a
- 9.a.6a – with adjustment added
- 9.b.1 – with adjustment added

Motion – to have amended points added to the constitution

Jim bock

Seconded – Stefan Erickson

Passed - unanimous

Discussion:

This means that each player on active roster has to have his own jersey for the duration of the game.

Does this mean players cannot enter the field until half time?

We would like referee discretion on entrance to the game. However Dante would like only entrance of late players at half time. Stefan to talk to Dante to accept players coming on before half time based on referee discretion.

New proposal

If late players expected they are to be cleared before the game. Referee discretion on when to let late player on to field. ID card checked in at half time by the ref and manager.

**Adjustments made based on discussion will be emailed out for reference.

Motion passed - based on the amendments from discussion.

Other business

Bring 2 game sheets to each to the game:

- 1 for the referee
- 1 to track your teams gols/assists

Ref will not be allowed to ref a game with their own team involved

Playoffs will have assistant referees. Game cost will be \$60 for each playoff game. Final game cost will be paid by the league.

Home team requirements

- Have a second game ball
- Have corner flags (each team to have their own corner flags for each game)
- Have an alternate jersey color in case of color conflict.
- If a grass field is used they are to be lined by the home team. Cost to be reimbursed by the league to the manager.

Criminal record checks to be submitted today if you have it.
