Game reports

Overall game reports are being done well.

Note:

- Send game sheets to scores@bccsl.org
- Please make your team name very clear, **added importance if you are a 2 team church**. We need to know which team which game reports go with.

Other Items

Request for referee reporting capability.

- Issues with referee communication - in games refs are not communicating with captains even.
- In the event a referee does not show up to your game the protocol is:
 - **Each manager is responsible to referee one half of the game.**
- Whitecaps FC group night on June 20th. Discounts will be available for tickets, email will be sent to all managers shortly with further details.
- Remember prayer at start of the game and conduct in games is representing Christ. Play like it and act like it during the game. We need to be constantly aware of this.
- Relegation and Promotion explained as it should happen based on constitution. However, due to teams dropping out and new teams it is difficult to follow through with consistent relegation and promotion procedures. In the event proper reseeding of divisions can not occur, judgment calls are made by the executive at the start of the season for creating balanced divisions.
- In playoffs – if game is tied at end of 90 minutes. Game is to go to 7.5 minute halves. If game is still tied at end of game then it is go to shootouts to decide the winner.
- Trophies have not been returned. The following teams need to return trophies and arrange with executive for dropoff by **June 19th**. Email executive@bccsl.org.
