re: Criminal Background Checks for Member Team Managers

To Whom It May Concern:

This is a letter stating that the Person that is requesting access to their criminal background check is a volunteer.

We need to have each of our member team managers submit a completed criminal background check in keeping with our policy, for insurance purposes, on child abuse.

Our League has no minimum age a player must be to participate. Our Insurance provider has asked us to submit an acceptable policy on our leagues view on child abuse. Our league takes child abuse very seriously and we have had no incidents including any form of child abuse. Our policy states that each member team manager has to manage within their own Churches policy regarding Child Abuse, therefore a criminal background check has to be carried out for each member team manager where a team has a minor on the roster.

Thank you for your time and attention on this matter, it is valued very much.
