Please read them fully and carefully.

1. *Terms and Conditions Form Part of Contract.* These terms and conditions apply and form part of the Facility Rental Contract entered into between the person or persons who are named on the Facility Rental Contract (“Licensee”) and the Township with respect to the rental of the Township owned or operated facility, or portion thereof, indicated on the Facility Rental Contract (“Rented Facility”) on the date or dates (“Rental Date”) and during the time or times (“Rental Period”) indicated on the Facility Rental Contract. To the extent of any inconsistencies between the Facility Rental Contract and these terms and conditions, the Facility Rental Contract will prevail.
2. *Compliance.* The Licensee and the Licensee’s officers, directors, employees, servants, agents, contractors, volunteers and guests must abide by all terms and conditions in the Facility Rental Contract. The Licensee must comply, and must ensure that all persons using the Rented Facility comply, with all applicable laws, bylaws, rules, policies, requirements, health guidelines, safe operation guidance and protocols, best health and safety practices, as well as all directions from Township staff.
3. *Payment.* Unless otherwise expressly indicated in the Facility Rental Contract, the Licensee must pay all applicable fees, as determined by the Township, in its sole discretion (the “Fee”), to the Township at least two weeks prior to the first Rental Date. If another due date is set out in the Facility Rental Contract, the Licensee must pay the Fee to the Township by the indicated due date. **If full payment of the Fee is not received by the due date, the Township may cancel the Licensee’s rental of the Rental Facility.**
4. *Cancellation or Amendment by the Township.* **The Township reserves the right and privilege to, at its sole discretion, amend or cancel the Facility Rental Contract at any time, before or after a Facility Rental Contract has been completed, and for any reason,** including but not limited to, a misrepresentation by the Licensee, or if such rental could lead to a protest or similar civil disruption resulting in safety or security concerns for attendees or Township staff, or potential damage to Township or other property. If the Facility Rental Contract is cancelled by the Township, through no fault of the Licensee, the Licensee will receive a full refund of any Fees paid, but the Licensee will have no other recourse or claim against the Township arising from the Facility Rental Contract or the cancellation thereof.
5. *Cancellation or Amendment by the Licensee.* The Licensee may cancel or amend the Facility Rental Contract at any time by providing written notice to the Township. If the Township receives written notice of cancellation or amendment from the Licensee at least 14 days prior to the Rental Date, the Licensee will receive a full credit or refund of any amounts paid to the Township, less an administrative fee of \$50. **No refund will be issued to the Licensee if no written notice of cancellation or amendment is received or if written notice of cancellation or amendment is received by the Township less than fourteen (14) days prior to the first Rental Date.**
6. *Damage Deposit Required.* Unless otherwise expressly indicated in the Facility Rental Contract, damage deposits are required on all rentals with a Fee exceeding \$100, and are equal to 50% of the Fee. The Licensee must pay damage deposits at the time that the Facility Rental Contract is signed.
7. *Deductions from Damage Deposit.* At the Township’s sole discretion, the Township may deduct from the damage deposit any additional costs incurred by the Township arising in any way out of or connected with the Licensee’s rental of the Rented Facility, including but not limited to, the cost of: any additional maintenance required to handle insufficient cleaning or debris left in the Facility, repair or replacement for any damage to the Facility or equipment, excessive noise or false alarms, or additional usage of the Facility where the rental exceeds the approved Rental Period.

COVID-19 Addendum to Facility Rental Agreement ("COVID-19 Addendum")

Dr. Bonnie Henry stated on May 16, 2020 that "COVID-19 is new for all of us". We at the Township of Langley responded to the recommendation from our public health officials to first close our facilities, parks, and cease offering services, and we are now responding to the recommendation to reopen our facilities, parks, and offer services to our community cautiously, with the safety of our staff and community being our priority. This includes permitting user groups access to our facilities, parks, and/or programs but solely on the basis that COVID-19 precautions will be adhered to by any and all user groups and individual participants.

COVID-19 remains a worldwide pandemic and a threat to our local health and safety. We know the following (this list is not intended to be exhaustive):

1. The infectious agent, SARS-CoV-2, has caused cases and outbreaks of a serious communicable disease known as COVID-19 among the population of the Province of British Columbia;
2. Our public health officials have determined this constitutes a regional event, as defined in section 51 of the Public Health Act;
3. A person infected with SARS-CoV-2 can infect other people with whom the infected person is in contact; and
4. The gathering of people in close contact with one another can promote the transmission of SARS-CoV-2 and increase the number of people who develop COVID-19.

We cannot be certain that a person (of any age) will not contract SARS-CoV-2 at one of our facilities or parks and/or while participating in one of our programs, but we have taken the steps required to develop our COVID-19 Safety Plan, which is available for your review at tol.ca/covid19/. Even though we have implemented our COVID-19 Safety Plan and are applying the associated procedures, **the risk remains that a COVID-19 outbreak could occur despite our efforts.**

As the representative of a user group, you are required to read and confirm that you understand our COVID-19 Safety Plan and that you have your own COVID-19 Safety Plan. You are required to circulate this COVID-19 Addendum to the participants in the activity for which you are utilizing our facilities, parks, or programs. You are required to take steps to ensure that participants act in accordance with both COVID-19 Safety Plans. Failure to adhere to the same could result in your user group's permit, agreement or license being revoked without refund of any fees and/or any particular person being banned from access to our facilities, parks, or programs. These termination rights are in addition to, and not in place of, any termination rights contained in the Facility Rental/Permit/Lease Agreement and will apply notwithstanding any terms in the Facility Rental/Permit/Lease Agreement.

It is vital that:

- no person who feels sick in any way visit any of our facilities or park and/or utilize any of our services or programs.
- no person brings a child who feels unwell or is showing any symptoms of illness to any of our facilities, or parks, or utilize any of our services or programs.
- any person who believes that they may have become ill or their child may have become ill within 14 days of visiting one of our facilities, parks, or programs should seek appropriate medical attention by calling 8-1-1, your family doctor or an Urgent and Primary Care Centre, so they can determine if they need to be assessed.

We will share personal information for the purposes of contact tracing if the need arises. To attend our facilities, parks, or programs, all persons taking part in your activities must consent to the same.

For more information regarding the risks associated with COVID-19, please review the BC CDC guidelines for recreation facilities: <http://www.bccdc.ca/health-info/diseases-conditions/covid-19/community-settings/recreation-facilities>.
